Dear Students,

A human mind is the most complex machine in nature and developing & training it requires a lot of effort. Since you are contemplating a career in Business Management, I am sure you are aware of the challenges that nation and organizations are currently facing. If these organizations have to succeed, they would require managers who are competent, flexible and proactive. We, at SKNSSBM, strive to develop such managers.

In today's fast changing competitive environment, it is necessary that an individual acquires a portfolio of management tools and analytical abilities. To satisfy these needs, we, at SKNSSBM, offer Management Program which is based on vast experience, we have in this field. We also provide appropriate Academic- Industry interface so that the students meet the exact requirements of the organization. We also take interest in research and extension, so that the students can develop their views regarding the business environment.

At SKNSSBM, we believe in developing a sense of the value of individual achievement and also teach our students teamwork, interpersonal skill, communication and other life management skills. We strive to create responsible leaders who are not only an asset to their organization but also to the society and nation. Thus, stressing those great ideas can be accomplished through concerted actions with others.

I wish you all the very best for a bright career and invite you to explore the possibilities that SKNSSBM and its Management program will unveil for you.

Dr. Prachi Pargaonkar  
Director, SKN SSBM
